

November Homework

Please pick a few activities to do with your child each week. Most of the activities should not take longer than a few minutes as they are meant to be quick and fun. Thank you for your support.

Week 1:

Tell someone the days of the week.

Create an ABC pattern using movements such as kick, jump, and turn.

Write the number 2 five times and count out two items to build the number.

Draw a picture of an item that starts with h and write the word.

Write the number 3 five times and count out three items to build the number.

Week 2:

Say your address five times.

Write the number 4 five times and count out four items to build the number.

Draw a picture of an animal that starts with s and write the word.

Count to 30.

Draw a picture of an item that starts with g and write the word.

Week 3:

Tell someone the four seasons.

Write the number 5 five times and count out five items to build the number.

Say your phone number five times.

Draw a picture of an item that starts with m and write the word.

Look for the letters b and d in a book and count how many times you find each one.

Week 4:

Tell someone three words that rhyme with big.

Write the numbers one to five in order.

Tell someone your five senses.

Count the chair legs in your house.

Create an ABBC pattern.
