

Kindergarten Supply List

Dear Kindergarten Family,

We are excited to spend the school year getting to know you and your kindergartner. It will be a busy and fun year. Here is a list of items that would be helpful for our classroom to start the year. **Please do not write your child's name on the supplies.** The items will be used by the entire class. We are hoping that by sending this home early, you are able to take advantage of the summer sales and "Back to School" sales. If your child is attending Young Fives next year, this supply list does not apply to you. We appreciate your support!
